1. Aims

Our school and independent specialist college (ISC) aim to:

- › Have robust, clear processes in place for charging and remissions
- › Clearly set out the types of activity that can be charged for and when charges will and will not be made
- › Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils and learners from taking full advantage of these opportunities

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

This policy complies with our funding agreement and articles of association.

3. Definitions

- › **Charge:** a fee payable for specifically defined activities
- › **Remission:** the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The governing board

The Trustee board has overall responsibility for approving the charging and remissions policy, but can delegate this to the FAR Committee, the CEO or headteacher/principal.

The Trustee board also has overall responsibility for monitoring the implementation of this policy.

Monitoring the implementation of this policy has been delegated to the CEO.

4.2 Headteacher and Principal

The headteacher and principal are responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- › Implementing the charging and remissions policy consistently
- › Notifying the headteacher or principal of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school and ISC will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the headteacher or principal of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

5.1 Education

- › Admission applications
- › Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- › Education provided outside school hours if it is part of:
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- › Instrumental or vocal tuition, for pupils or learners learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- › Entry for a prescribed public examination if the pupil or learner has been prepared for it at the school or ISC
- › Examination re-sit(s) if the pupil or learner is being prepared for the re-sit(s) at the school or ISC

5.2 Transport

- › Transporting registered pupils or learners to or from the school premises, where the local authority has a statutory obligation to provide transport

- › Transporting registered pupils or learners to other premises where the Trustee board or local authority has arranged for pupils to be educated
- › Transport that enables a pupil or learners to meet an examination requirement when he or she has been prepared for that examination at the school or ISC
- › Transport provided in connection with an educational visit

5.3 Residential visits

- › Education provided on any visit that takes place during school or ISC hours
- › Education provided on any visit that takes place outside school or ISC hours if it is part of:
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- › Supply teachers, covering for teachers who are absent from school, accompanying pupils on a residential visit

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

- › Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- › Optional extras (see section 6.2)
- › Music and vocal tuition, in limited circumstances (see section 6.3)
- › Certain early years provision
- › Community facilities
- › Examination re-sit(s) if the pupil or learner is being prepared for the re-sit(s) at the school or ISC **and** the pupil or learner fails, without good reason, to meet any examination requirement for a syllabus

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- › Education provided outside of school time that is not part of:
 - The National Curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- › Examination entry fee(s) if the registered pupil or learner has not been prepared for the examination(s) at the school or ISC
- › Transport (other than transport that is required to take the pupil or learner to school or the ISC or to other premises where the local authority or Trustee board has arranged for the pupil to be provided with education)
- › Board and lodging for a pupil or learner on a residential visit
- › Extended day services offered to pupils or learners (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- › Any materials, books, instruments or equipment provided in connection with the optional extra
- › The cost of buildings and accommodation
- › Non-teaching staff
- › Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- › The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils or learners will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils or learners participating.

Any charge will not include an element of subsidy for any other pupils or learners who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school or ISC hours, the charge cannot include the cost of alternative provision for those pupils or learners who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils or learners, provided that the tuition is provided at the request of the pupil's or learner's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- › If the teaching is an essential part of the National Curriculum
- › If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- › For a pupil or learner who is looked after by a local authority

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school and ISC is able to ask for voluntary contributions from parents to fund activities which would not otherwise be possible.

Some activities for which the school or ISC may ask parents for voluntary contributions include:

- › Educational visits
- › Community access visits
- › Musical and sporting events
- › Cooking activities outside the scope of the curriculum

There is no obligation for parents to make any contribution, and no pupil or learner will be excluded from an activity if their parents are unwilling or unable to pay.

If the school or ISC is unable to raise enough funds for an activity or visit then it will be cancelled.

8. Activities we charge for

The school will charge for the following activities:

- › After school clubs
- › Saturday club
- › Social events
- › Residential visits

For regular activities, the charges for each activity will be determined by the local governing board and reviewed in July each year. Parents will be informed of the charges for the coming year in September each year.

9. Remissions

In some circumstances, the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the Trustee board and will depend on the activity in question.

9.1 Remissions for residential visits

Parents who can prove they are in receipt of any of the following benefits will be exempt from paying the cost of board and lodging for residential visits:

- › Income Support
- › Income-based Jobseeker's Allowance
- › Income-related Employment and Support Allowance
- › Support under part VI of the Immigration and Asylum Act 1999
- › The guaranteed element of Pension Credit
- › Child Tax Credit – provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- › Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit
- › Universal Credit – if you apply on or after 1 April 2018, your household income must be less than £7,400 a year (after tax and not including any benefits you get)

10. Monitoring arrangements

The headteacher or principal monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed by the CEO annually.

At every review, the policy will be approved by the Trustee board.
